

KOMONO

IT Manager

About

KOMONO is a successful and fast-growing, Belgium based company with excellent prospects. Two years in a row, KOMONO has been awarded with the 'Trends Gazellen' trophy for the fastest growing company in the Antwerp Region, by the most renowned Belgian business magazine 'Trends/Tendances'.

You will have the opportunity to grow together with this innovative and global brand. You will be working in a pleasant, stimulating environment with great colleagues at our headquarters near Antwerp.

Role

As IT manager, you will have 3 main responsibilities.

The first responsibility is to have the full ownership on all software and hardware. This means you will give technical support of IT matters to the whole organization. This includes installation, rollout and troubleshooting of PC's and other devices (Windows, MacOS, Raspbian-devices, Android, iOS devices). But you will as well own all mailing (Google), network (Ubiquiti-based) and storage (QNAP QTS 4.3) services. On top, you will be responsible to set and roll-out new IT strategies and systems.

The second responsibility is to be a key contributor to the ERP implementation of Odoo. You will translate, communicate and follow up on challenges and new development projects and you will be the key contact person between the organization and the ERP implementor. You will support the organization as well in training on new functionalities and reporting. Optionally, you help to further develop and improve the system.

The third responsibility is to provide remote en on-site support for our Brick & Mortar stores on Point of Sale hardware & software, Networks and Video Surveillance.

Requirements

- You have at least a few years of working experience in an IT environment, maintaining software and hardware.
- You have experience with ERP packages (development, roll-out, maintenance). Experience with Odoo is a plus.
- Experience in programming in Python and Java is a plus.
- Proactive personality, all-rounder, self-starter, punctual, flexible, ambitious.
- Full English proficiency is an absolute must, knowledge of Dutch is a plus.
- Basic knowledge of Logistics and experience with change management are a plus.

What we offer

- Competitive salary.
- Working for a fast growing, international company.
- Represent a Belgian brand, based in Antwerp.
- Working in a creative and stimulating environment with career development opportunities.
